HAMLIN, JONES COUNTY, TEXAS, FRIDAY, MARCH 9, 1945

NUMBER 19

What Is Your Quota For Red Cross War Fund?

JONES COUNTY has been asked to raise \$18,900.00 for the American Red Cross.

HAMLIN has been asked to raise \$3,000.00 for the American Red Cross.

YOUR QUOTA is in your own conscience. What have you decided? Jones County has raised, up to date, \$14,290.41.

Hamlin has raised, up to date, \$2,300.00.

Both the county and Hamlin, and several other communities, are far behind what they are expected to do. Personally, WE think the whole set of quotas is too low. This statement is based upon the number of soldiers and sailors from this county, who need the Red Cross attention all over the world. We simply can not let them down. Let's make that quota and a whole lot more.

WE ARE ALL PROUD OF Avoca, Golan, New Hope, Plainview, Sunny Side, Truby, Union, Willow Creek, Wise Chapel, Tuxedo, Neinda, Carlton, and Boyd Chapel, who have already made their answer to their quota. Far above, and still going.

So many wait to be called upon. Why wait? Decide what you want to do; see somebody, ask somebody, send your check to the bank or any Red Cross solicitor, even a person who is not officially working at the job, will put your money where it is expected, so that it will do its part in the great work of the American RED CROSS.

Ferguson Theatre To Observe Red Cross War Fund Week

The Ferguson Theatre will observe Red Cross War Fund Week during March 15th through 21st.

Collections will be taken up at every performance during that period, immediately after the showing of a special Red Cross subject featuring the lovely Ingrid Bergman, star of "For Whom the Bell Tolls" and which highlights the needs of the American Red Cross as well as dramatizing the work of this great organization.

In keeping with the policy of the American Red Cross, all collections received at this theatre will be turned over to the local Red Cross chapter.

Last year's collection in the movie theatres of Texas resulted in a total of \$210,419.00. At a meeting recently held in Dallas by representatives of the exhibition and distribution ends of the industry, all-out aid was pledged to make collections greater, or "More than in '44."

Funeral Services For Mrs. L. K. Malone Held Thursday, March 1

The long and useful life of Mrs. L. K. Malone came to a quiet and painless close at her home four miles east of Hamlin, Tuesday morning, February 27, 1945, at 3:00 o'clock.

Geneva Ann Bush was born near Gordo, Alabama, on Dec. 10, 1855. She lived to be 89 years, 2 months and 17 days of age. Of this long span of life, she lived 65 years, 5 months and 22 days with the companion who survives. She was married to L. K. Malone 65 years ago last September 5. They moved to Texas in 1900 and settled at Killene, and four years later, Dec. 26, 1906, they came to their farm home four miles east of Hamlin, where their mature years of companionship passed in Christian usefulness.

Mrs. Malone, like her husband, was possessed of a deep devotion to the teachings of Christ, and lived a long and consecrated life as such. She joined the Methodist Church at the age of 10 years. She was the mother of eight children, six of whom survive, namely, Seth Malone of Dallas; Mrs. J. J. Rhodes of Phoenix, Arizona; Mrs. J. G. McClure and Tim Malone of Glendale, Arizona; Hayes Malone of Fort Worth; and Mrs. J. C. Hyer, of Hamlin, who resided with her husband in the parental home and cared for the aged parents. There are eleven grandchildren and nine great grandchildren.

Mrs. Malone had lived a very active and independent life, and her final illness was only three days. Only the last day was she unable to get out of her bed. Mrs. Malone was a devoted wife and mother, a good woman who admired and loved the work of her husband who has preached the gospel so long.

Funeral services were conducted at the Hamlin Methodist Church, Thursday, March 1, lead by Rev. E. L. Yeats, the pastor, Rev. O. A. McBrayer, pastor of the Dovey Church, and Rev. Dan D. Jones, pastor of the Church of the Nazarene.

Interment was in Hamlin East Cemetery under the direction of the Barrow Company.

The pallbearers were Ernest Jenkins, Gerald Renfro, Raleigh Bond, Joe Murff, Al Jenkins, and Chester Ivy.

Those of the children who were unable to attend the funeral were Tim Malone. Other relatives coming were Mrs. W. A. Malone and her daughter, Mrs. Mildred Sharp, of Abilene; Mrs. Hazelwood of Lubbock; and Mrs. Edna Malone of Hollis, Oklahoma.

DECLARATION OF ESTIMATED INCOME TAX FOR 1945

Farmers (persons receiving at least two-thirds of their income from farming) are permitted to delay filing 1945 declarations until January 15, 1946. At that time they may, if they desire, file their annual returns instead of their declarations. Declarations are required from farmers who expect to earn \$500 or more this year. If they postpone the filing of declarations until January 15, 1946, they must pay the full amount of estimated tax at that time. Special forms and instructions have been mailed out to all persons who filed declarations last year. Additional copies may be obtained from the Office of any Collector of Internal Revenue. Farmers who have not as yet filed their 1944 income tax returns must do so by March 15.

Look, Mrs. Brown, you don't have to hoard electricity—no matter how much you value its convenience.

We make it fresh every minute and we keep plenty on tap all the time. There haven't been any shortages and there won't be.

And as for price, that's been coming down steadily through the years. What's more, it has stayed low, while other living costs went up with war.

Better fold up that big box, Mrs. Brown, and save it for scrap salvage. You can depend on our folks to deliver all the friendly low-priced electric service you'll ever need for your wonderful post-war appliances.

'Think on these things'

SIX SEARCHING QUESTIONS

1. WHAT ARE WE?

We are beings endowed with a moral conscience, therefore responsible for our conduct. Animals have no moral conscience, hence are not responsible for their conduct. Our consciences should be educated in conformity to the teaching of God's word. Conscience is a matter of education. Conscience by itself does not attest to the right or wrong of a thing. Paul never violated his conscience, but he committed some terrible sins. (Acts 23:1) We should strive for a good conscience, and in all things be willing to live honestly. (Heb. 13:18) "So then every one of us shall give account of himself to God." (Rom. 14:12) We are responsible to God for our actions.

2. WHENCE CAME WE?

Much has been said about the origin of the species. There is just one satisfactory explanation. We came from God. Hear it: "And the Lord God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul." (Gen. 2:7) "In him we live, and move and have our being." (Acts 17:28)

3. WHITHER ARE WE BOUND?

The body is destined to return to the earth, and the spirit shall return unto the God who gave it. "Then shall the dust return to the earth as it was: and the spirit shall return unto God who gave it." (Eccles. 12:7) God made our bodies and breathed into them the breath of life. At death the body goes back to the dust of the ground and the spirit to God who gave it.

We are all bound for the judgment bar of God. This is a serious, solemn thought. "And as it is appointed unto men once to die, but after this the judgment." (Heb. 9:27) "For we shall all stand before the judgment seat of Christ." (Rom. 14:10) "For we must all appear before the judgment seat of Christ; that every one may receive the things done in his body, according to that he hath done, whether it be good or bad."

We are bound for eternity. Jesus said: "And these shall go away into everlasting punishment: but the righteous into life eternal." (Matt. 25:46)

4. WHAT IS OUR DUTY?

Our duty is to hear God. At the transfiguration God spoke from heaven, saying: "This is my beloved Son, in whom I am well pleased; hear ye him." (Matt. 17:5) There was a time when folk were to hear Moses and the prophets, but that time has passed away. God speaks to us by his Son. "God, who at sundry times and in divers manners spake in time past unto the fathers by the prophets, hath in these last days spoken unto us by his Son." (Heb. 1:1-2) Our faith comes by hearing God through His Son. "So then faith cometh by hearing, and hearing by the word of God." (Rom. 10:17)

Our duty is to believe the gospel. Jesus told his apostles: "Go ye into all the world and preach the gospel to every creature. He that believeth and is baptized shall be saved; but he that disbelieveth shall be condemned." (Mk. 16:15-16) Virtue does not lie in simply hearing, but in believing the truth when it is heard.

Our duty is to obey the gospel. Jesus became the author of eternal salvation unto all them that obey. (Heb. 5:8-9) God will not save us and God cannot save us unless we obey. "For this is the love of God, that we keep his commandments: and his commandments are not grievous." (1 John 5:3) The Bible ends with a blessing pronounced on the obedient: "Blessed are they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city." (Rev. 22:14)

5. WHAT IS OUR DANGER?

There are two great dangers confronting all. One of these is that we will neglect the great salvation. (Heb. 2:1-4. Please read.) How shall we escape if we neglect? There is no escape. However, "the Lord is not slack concerning his promises, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance." (II Pet. 3:9)

We are in danger of losing our souls. The devil would have us to believe that we are in no great danger, but such is a lie. Jesus raised this warning: "For whosoever will save his life shall lose it; and whosoever will lose his life for my sake shall find it. For what is a man profited, if he shall gain the whole world, and lose his own soul? Or what shall a man give in exchange for his soul?" (Matt. 16:25-26) Jesus would not talk about losing our soul if we were not in very great danger of doing that very thing.

6. WHAT IS OUR DESTINY?

There are two destinies before us. One is heaven and the other is hell. May we hear, believe, and obey the truth, and thus be made free from our old sins. May we keep right on hearing, believing, and obeying. By doing this we are not neglecting the great salvation, and neither shall we lose our souls. May heaven be the happy lot of each one of us in the sweet afterlife.

Remember a friendly welcome awaits you at all our services.

Awarded Bronze Star For Bravery

Capt. Raymond E. Morgan, Quartermaster Corps, U. S. Army, has been awarded the Bronze Star Medal for meritorious achievement in connection with military operations against the enemy on 3-4 August 1944 in France. Capt. Morgan while serving as commanding officer of a Quartermaster Railroad company, assisted in supervising a truck convoy which was heading for a new truckhead area. During the night, a forward vehicle was knocked out by the enemy. Capt. Morgan calmly helped administer first aid to the wounded personnel. Farther along the route, a bridge was found blocked by bomb craters and twisted railway tracks. Once again, Capt. Morgan calmly directed his men even though a bomb exploded only a few feet away severely wounding three men, and through his forceful leadership, Capt. Morgan was responsible for the safe arrival of a large part of the convoy. Capt. Morgan was with Safeway Stores, at Hamlin, a few years ago. His wife is the former Inez Hunter, of this community.

Pies and cakes sold to the highest bidders to the tune of over \$600.00. Over the quota the very first night—that's the way McCaulley folks do things. For instance, one angel food cake, baked by Mrs. Flora (Mother) Mason, sold at auction for \$55.00, and Dave Maberry was the highest bidder. Biff, bang, bang! The sale was fast, proving to the world that the citizens of
